

# CONTENTS

## NEW SERIES, VOLUME XXV, NUMBER 97, JANUARY 1956

Gastric Haemorrhage in Acute Intracranial Vascular Accidents. By A. Doig and J. Shafar. With Plates 1 to 3 . . . . .	1
Potassium-losing Renal Disease. By R. F. Mahler and S. W. Stanbury. With Plate 4 . . . . .	21
Spontaneous Spinal Subarachnoid Haemorrhage. By R. A. Henson and P. B. Croft. With Plate 5 . . . . .	53
Radiation Reactions in the Lung. By A. G. W. Whitfield, W. H. Bond, and W. M. Arnott. With Plates 6 to 11 . . . . .	67
The Megaloblastic Anaemias. By Ronald H. Girdwood . . . . .	87
The Natural History of Pulmonary Collapse in Childhood. By Ursula James, F. S. W. Brimblecombe, and J. Weston Wells . . . . .	121
Respiratory Function in Emphysema in Relation to Prognosis. By D. V. Bates, J. M. S. Knott, and R. V. Christie . . . . .	137

## NUMBER 98, APRIL 1956

Tuberculous Polyserositis. By Roy M. Acheson. With Plates 12 to 14 . . . . .	159
Some Effects of Severe Chronic Anaemia on the Circulatory System. By William Whitaker . . . . .	175
Renal Tubular Acidosis. By G. L. Foss, C. B. Perry and F. J. Y. Wood. With Plates 15 and 16 . . . . .	185
Haematogenous Brain Abscess in Cyanotic Congenital Heart Disease. By E. J. Newton. With Plates 17 and 18 . . . . .	201
A Five-year Assessment of Patients in a Controlled Trial of Streptomycin, Para-Aminosalicylic Acid, and Streptomycin plus Para-Aminosalicylic Acid, in Pulmonary Tuberculosis. By Wallace Fox and Ian Sutherland . . . . .	221
The Neuropsychiatric Syndrome associated with Hepatic Cirrhosis and an Extensive Portal Collateral Circulation. By W. H. J. Summerskill, Esther A. Davidson, Sheila Sherlock, and R. E. Steiner. With Plates 19 and 20 . . . . .	245
Neuropathy in Peripheral Vascular Disease. By E. C. Hutchinson and L. A. Liversedge . . . . .	267
An Investigation of Prolonged Insulin Resistance in a Case of Diabetes Mellitus. By J. R. Presland and the late C. M. Todd . . . . .	275

## NUMBER 99, JULY 1956

Clinical Aspects of Renal Vein Thrombosis. By C. V. Harrison, M. D. Milne, and R. E. Steiner. With Plates 21 to 25 . . . . .	285
Malabsorption and Bone Disease in Prolonged Obstructive Jaundice. By M. Atkinson, B. E. C. Nordin, and Sheila Sherlock. With Plates 26 to 30 . . . . .	299
A Clinical and Pathological Study of Sixteen Cases of Rheumatoid Arthritis with Extensive Visceral Involvement ('Rheumatoid Disease'). By R. J. G. Sinclair and B. Cruickshank. With Plates 31 and 32 . . . . .	313
Tropical Sprue. By J. M. French, R. Gaddie, and Nadya M. Smith . . . . .	333
The Nephrotic Syndrome. By Margaret H. Roscoe . . . . .	353

The Rash of Rheumatoid Arthritis and Still's Disease. By I. C. Isdale and E. G. L. Bywaters. With Plates 33 to 35 . . . . .	377
The Renal Circulation in Chronic Pulmonary Disease and Pulmonary Heart Failure. By C. H. Stuart-Harris, J. Mackinnon, J. D. S. Hammond, and W. D. Smith . . . . .	389
Congestive Heart Failure in the Elderly. By P. D. Bedford and F. I. Caird . . . . .	407

## NUMBER 100, OCTOBER 1956

Para-infectious Encephalomyelitis and Related Syndromes. By H. G. Miller, J. B. Stanton, and J. L. Gibbons . . . . .	427
Friedländer Bacillus Infection of the Lung. By L. D. Erasmus. With Plates 36 and 37 . . . . .	507
Genetic, Clinical, Biochemical, and Pathological Features of Hypophosphatasia. By R. A. McCance, D. V. I. Fairweather, A. M. Barrett, and A. B. Morrison. With Plates 38 to 42 . . . . .	523
Primary Aldosteronism. By L. Eales and G. C. Linder. With Plates 43 and 44 . . . . .	539
Proceedings of the Association of Physicians of Great Britain and Ireland: Fiftieth Annual General Meeting . . . . .	565

## INDEX TO CONTRIBUTORS

ACHESON, R. M. Tuberculous Polyserositis. With Plates 12 to 14 . . .	159
ARNOTT, W. M. Radiation Reactions in the Lung. With Plates 6 to 11 . . .	67
ATKINSON, M. Malabsorption and Bone Disease in Prolonged Obstructive Jaundice. With Plates 26 to 30 . . . . .	299
BARRETT, A. M. Genetic, Clinical, Biochemical, and Pathological Features of Hypophosphatasia. With Plates 38 to 42 . . . . .	523
BATES, D. V. Respiratory Function in Emphysema in Relation to Prognosis . . .	137
BEDFORD, P. D. Congestive Heart Failure in the Elderly . . . . .	407
BOND, W. H. Radiation Reactions in the Lung. With Plates 6 to 11 . . . . .	67
BRIMBLECOMBE, F. S. W. The Natural History of Pulmonary Collapse in Childhood . . . . .	121
BYWATERS, E. G. L. The Rash of Rheumatoid Arthritis and Still's Disease. With Plates 33 to 35 . . . . .	377
CAIRD, F. I. Congestive Heart Failure in the Elderly . . . . .	407
CHRISTIE, R. V. Respiratory Function in Emphysema in Relation to Prognosis . . . . .	137
CROFT, P. B. Spontaneous Spinal Subarachnoid Haemorrhage. With Plate 5 . .	53
CRUICKSHANK, B. A Clinical and Pathological Study of Sixteen Cases of Rheumatoid Arthritis with Extensive Visceral Involvement ('Rheumatoid Disease'). With Plates 31 and 32 . . . . .	313
DAVIDSON, ESTHER A. The Neuropsychiatric Syndrome associated with Hepatic Cirrhosis and an Extensive Portal Collateral Circulation. With Plates 19 and 20 . . . . .	245
DOIG, A. Gastric Haemorrhage in Acute Intracranial Vascular Accidents. With Plates 1 to 3 . . . . .	1
EALLES, L. Primary Aldosteronism. With Plates 43 and 44 . . . . .	539
ERASMUS, L. D. Friedländer Bacillus Infection of the Lung. With Plates 36 and 37. . . . .	507
FAIRWEATHER, D. V. I. Genetic, Clinical, Biochemical, and Pathological Features of Hypophosphatasia. With Plates 38 to 42 . . . . .	523
FOSS, G. L. Renal Tubular Acidosis. With Plates 15 and 16 . . . . .	185
FOX, W. A Five-year Assessment of Patients in a Controlled Trial of Streptomycin, Para-Aminosalicylic Acid, and Streptomycin plus Para-Aminosalicylic Acid, in Pulmonary Tuberculosis . . . . .	221
FRENCH, J. M. Tropical Sprue . . . . .	333
GADDIE, R. Tropical Sprue . . . . .	333
GIBBONS, J. L. Para-infectious Encephalomyelitis and Related Syndromes . .	427
GIRDWOOD, R. H. The Megaloblastic Anaemias . . . . .	87
HAMMOND, J. D. S. The Renal Circulation in Chronic Pulmonary Disease and Pulmonary Heart Failure . . . . .	389
HARRISON, C. V. Clinical Aspects of Renal Vein Thrombosis. With Plates 21 to 25 . . . . .	285
HENSON, R. A. Spontaneous Spinal Subarachnoid Haemorrhage. With Plate 5 . . . . .	53
HUTCHINSON, E. C. Neuropathy in Peripheral Vascular Disease . . . . .	267

JAMES, URSULA. The Natural History of Pulmonary Collapse in Childhood . . .	121
KNOTT, J. M. S. Respiratory Function in Emphysema in Relation to Prognosis . . .	137
ISDALE, I. C. The Rash of Rheumatoid Arthritis and Still's Disease. With Plates 33 to 35 . . . . .	377
LINDER, G. C. Primary Aldosteronism. With Plates 43 and 44 . . . . .	539
LIVERSEDGE, L. A. Neuropathy in Peripheral Vascular Disease . . . . .	267
MCCANCE, R. A. Genetic, Clinical, Biochemical, and Pathological Features of Hypophosphatasia. With Plates 38 to 42 . . . . .	523
MACKINNON, J. The Renal Circulation in Chronic Pulmonary Disease and Pulmonary Heart Failure . . . . .	389
MAHLER, R. F. Potassium-losing Renal Disease. With Plate 4 . . . . .	21
MILLER, H. G. Para-infectious Encephalomyelitis and Related Syndromes . . . . .	427
MILNE, M. D. Clinical Aspects of Renal Vein Thrombosis. With Plates 21 to 25 . . . . .	285
MORRISON, A. B. Genetic, Clinical, Biochemical, and Pathological Features of Hypophosphatasia. With Plates 38 to 42 . . . . .	523
NEWTON, E. J. Haematogenous Brain Abscess in Cyanotic Congenital Heart Disease. With Plates 17 and 18 . . . . .	201
NORDIN, B. E. C. Malabsorption and Bone Disease in Prolonged Obstructive Jaundice. With Plates 26 to 30 . . . . .	299
PERRY, C. B. Renal Tubular Acidosis. With Plates 15 and 16 . . . . .	185
PRESLAND, J. R. An Investigation of Prolonged Insulin Resistance in a Case of Diabetes Mellitus . . . . .	275
Proceedings of the Association of Physicians of Great Britain and Ireland: Fiftieth Annual General Meeting . . . . .	565
ROSCOE, MARGARET H. The Nephrotic Syndrome . . . . .	353
SHAFAR, J. Gastric Haemorrhage in Acute Intracranial Vascular Accidents. With Plates 1 to 3 . . . . .	1
SHERLOCK, SHEILA. The Neuropsychiatric Syndrome associated with Hepatic Cirrhosis and an Extensive Portal Collateral Circulation. With Plates 19 and 20. . . . .	245
SHERLOCK, SHEILA. Malabsorption and Bone Disease in Prolonged Obstructive Jaundice. With Plates 26 to 30 . . . . .	299
SINCLAIR, R. J. G. A Clinical and Pathological Study of Sixteen Cases of Rheumatoid Arthritis with Extensive Visceral Involvement ('Rheumatoid Disease'). With Plates 31 and 32 . . . . .	313
SMITH, NADYA M. Tropical Sprue . . . . .	333
SMITH, W. D. The Renal Circulation in Chronic Pulmonary Disease and Pul- monary Heart Failure . . . . .	389
STANBURY, S. W. Potassium-losing Renal Disease. With Plate 4 . . . . .	21
STANTON, J. B. Para-infectious Encephalomyelitis and Related Syndromes . . . . .	427
STEINER, R. E. The Neuropsychiatric Syndrome associated with Hepatic Cirrhosis and an Extensive Portal Collateral Circulation. With Plates 19 and 20 . . . . .	245
STEINER, R. E. Clinical Aspects of Renal Vein Thrombosis. With Plates 21 to 25 . . . . .	285
STUART-HARRIS, C. H. The Renal Circulation in Chronic Pulmonary Disease and Pulmonary Heart Failure . . . . .	389

# INDEX TO CONTRIBUTORS

vii

SUMMERSKILL, W. H. J. The Neuropsychiatric Syndrome associated with Hepatic Cirrhosis and an Extensive Portal Collateral Circulation. With Plates 19 and 20 . . . . .	245
SUTHERLAND, I. A Five-year Assessment of Patients in a Controlled Trial of Streptomycin, Para-Aminosalicylic Acid, and Streptomycin plus Para-Aminosalicylic Acid, in Pulmonary Tuberculosis . . . . .	221
TODD, C. M. An Investigation of Prolonged Insulin Resistance in a Case of Diabetes Mellitus . . . . .	275
WELLS, J. WESTON. The Natural History of Pulmonary Collapse in Childhood	121
WHITAKER, W. Some Effects of Severe Chronic Anaemia on the Circulatory System . . . . .	175
WHITFIELD, A. G. W. Radiation Reactions in the Lung. With Plates 6 to 11 . .	67
WOOD, F. J. Y. Renal Tubular Acidosis. With Plates 15 and 16 . . . . .	185

## INDEX

- Acidosis, renal tubular, 185.  
 Aldosteronism, primary, 539.  
 Anaemia, severe chronic: effects on the circulatory system, 175.  
 Anaemias, megaloblastic, 87.  
 Association of Physicians of Great Britain and Ireland, 50th Annual General Meeting, 1956, 565.
- Bone disease, in prolonged obstructive jaundice, 299.  
 Brain abscess, in cyanotic congenital heart disease, 201.
- Circulatory system, effects of severe chronic anaemia on, 175.  
 Cirrhosis, hepatic: neuropsychiatric syndrome associated with, 245.  
 Clinical aspects of renal vein thrombosis, 285.  
 — and pathological study of rheumatoid arthritis with extensive visceral involvement, 313.  
 Congenital heart disease, cyanotic: haematogenous brain abscess in, 201.  
 Congestive heart failure in the elderly, 407.
- Diabetes mellitus: investigation of a case of prolonged insulin resistance, 275.
- Emphysema: respiratory function in, in relation to prognosis, 137.  
 Encephalomyelitis, para-infectious, 427.
- Five-year assessment of patients in a controlled trial of streptomycin, para-aminosalicylic acid, and streptomycin plus para-aminosalicylic acid, in pulmonary tuberculosis, 221.  
 Friedländer bacillus infection of the lung, 507.
- Gastric haemorrhage in acute intracranial vascular accidents, 1.  
 Genetic, clinical, biochemical, and pathological features of hypophosphatasia, 523.
- Haematogenous brain abscess in cyanotic congenital heart disease, 201.  
 Heart failure, congestive: in the elderly, 407.  
 Hepatic cirrhosis: neuropsychiatric syndrome associated with, 245.
- Hypophosphatasia: genetic, clinical, biochemical, and pathological features, 523.
- Insulin resistance, prolonged, in diabetes mellitus, 275.  
 Intracranial vascular accidents: gastric haemorrhage in, 1.
- Jaundice, obstructive: malabsorption and bone disease in, 299.
- Lung, Friedländer bacillus infection of, 507.  
 —, radiation reactions in, 67.
- Malabsorption and bone disease in prolonged obstructive jaundice, 299.  
 Measles: encephalomyelitis and related syndromes in, 428.  
 Megaloblastic anaemias, 87.  
 Mumps: encephalomyelitis and related syndromes in, 467.
- Natural history of pulmonary collapse in childhood, 121.  
 Nephrotic syndrome, 353.  
 Neuropathy in peripheral vascular disease, 267.  
 Neuropsychiatric syndrome associated with hepatic cirrhosis and an extensive portal collateral circulation, 245.
- Para-aminosalicylic acid and streptomycin in pulmonary tuberculosis, 221.  
 Para-infectious encephalomyelitis and related syndromes, 427.  
 Peripheral vascular disease: neuropathy in, 267.  
 Pertussis encephalopathy, 486.  
 Pneumonia, Friedländer bacillus, 507.  
 Polyserositis, tuberculous, 159.  
 Portal collateral circulation: neuropsychiatric syndrome associated with, 245.  
 Potassium-losing renal disease, 21.  
 Primary aldosteronism, 539.  
 Prolonged insulin resistance: investigation of, in diabetes mellitus, 275.  
 Pulmonary collapse in childhood, 121.  
 — disease, chronic: renal circulation in, 389.  
 — heart failure: renal circulation in, 389.

- Pulmonary tuberculosis: five-year assessment of patients in a controlled trial of streptomycin, para-aminosalicylic acid, and streptomycin plus para-aminosalicylic acid, 221.
- Radiation reactions in the lung, 67.
- Rash of rheumatoid arthritis and Still's disease, 377.
- Renal circulation in chronic pulmonary disease and pulmonary heart failure, 389.
- disease, potassium-losing, 21.
  - tubular acidosis, 185.
  - vein thrombosis: clinical aspects of, 285.
- Respiratory function in emphysema in relation to prognosis, 137.
- Rheumatoid arthritis with extensive visceral involvement, 313.
- —: rash of, 377.
  - 'Rheumatoid disease,' 313.
- Rubella: encephalomyelitis and related syndromes in, 457.
- Scarlet fever: encephalomyelitis and related syndromes in, 477.
- Spinal subarachnoid haemorrhage, spontaneous, 53.
- Sprue, tropical, 333.
- Still's disease: rash of, 377.
- Streptomycin, para-aminosalicylic acid, and streptomycin plus para-aminosalicylic acid in pulmonary tuberculosis, 221.
- Subarachnoid haemorrhage, spontaneous spinal, 53.
- Tropical sprue, 333.
- Tuberculous polyserositis, 159.
- Varicella: encephalomyelitis and related syndromes in, 446.
